

VINCI Energies has acquired Brutti Lorenzo Srl

- **Revenue in Italy has exceeded €200 million**
- **Over 700 employees across the country**

Milan, 31 July 2025 - VINCI Energies has acquired **Brutti Lorenzo Srl**, a company specialized in electrical installations and maintenance with a focus on data centers.

Brutti Lorenzo Srl, located in Verona has almost 50 years of history and generates revenues of €6 million in 2024 with 42 employees. Brutti Lorenzo will join **Building Solutions**, the innovative business line of VINCI Energies specializing in electrical, mechanical and specialized systems throughout the entire life cycle of buildings, from design to maintenance.

Thanks to a combination of organic growth and acquisitions, VINCI Energies in Italy has exceeded €200 million in revenue in 2024, with over 700 employees spread across the country. This expansion has made the Group a key player in the country's energy transition and digital transformation.

‘We are delighted and honored to have Lorenzo Brutti joining VINCI Energies. The skills of Brutti workforce complement the current offerings of VINCI Energies Building Solutions Italia, the group's subsidiary specialized in services and solutions to improve the comfort, efficiency, and environmental performance of the buildings’ - these are the words of **Thomas Panozzo**, Country Managing Director of the VINCI Energies Italia Group.

‘The addition of Brutti Lorenzo is part of our medium-term strategic plan aimed at consolidating our vertical expertise in the data centre segment and our geographical positioning in the north-east of the country. This will enable us to improve our plant engineering offering on the Italian market,’ said **Maurizio Della Fornace**, Managing Director of VINCI Energies Building Solutions Italia.

‘At VINCI, I found a strong corporate culture and the same values that my family has embraced for decades. Joining the group is an important strategic step that will strengthen our presence and expand growth opportunities through the sharing of resources and expertise. We enthusiastically embrace this new phase in our company's history, ready for a future of shared challenges and successes’ said **Michela Brutti**, CEO of Brutti Lorenzo Srl.

About VINCI Energies
